

Quality Engineer

Based in West Lothian, Kaiam is an emerging market leader in the research, development and manufacturing of optoelectronic equipment used within data-communication centres and the telecommunications industry. Founded by leading technologists from the optical networking industry, the team has a track record of delivering breakthrough approaches that change the rules of the marketplace.

We are now recruiting for a **Quality Engineer**. Supporting the Quality Manager, your role will include but not be limited to:-

- Working with the engineering team to test, diagnose and identify cause of failure
- Writing and sharing reports with the engineering team, sales team and production team
- Monitoring and assessing the success of the corrective and preventative actions and creating 8D summary reports to supply to the customers
- Providing weekly status reports to management
- Keeping all databases and files accurately updated
- Participating in and supporting product and process continuous improvement activities based on a range of tools and techniques
- Undertaking other QA tasks within the scope of your expertise as required, (which may include supporting the internal audit program, documentation, calibration, ESD audits.....)

Qualifications:

- Previous experience in manufacturing is desirable
- Degree in an engineering discipline
- Previous experience of developing corrective and preventive action / 8D reports
- Previous experience of working with optics / electronics

Skills:

- Attention to detail
- Excellent communication skills
- Advanced technical and engineering skills
- Good numerical skills and understanding of statistics
- Good Planning and organisational skills
- Excellent communication and interpersonal skills

Kaiam Europe Ltd

Starlaw Park, Starlaw Road, Livingston, EH54 8SF
Telephone +44 (0) 1506 426 000

- A high level of problem-solving skills
- Exceptional team-working skills

In exchange, we offer a competitive salary (based on experience), life cover, pension, cycle to work scheme and generous holidays.

Kaiam operate with a high level of efficiency, honesty and passion and we are always striving to achieve excellence so if you can bring us relevant qualifications and/or experience then we want to hear from you.
